Lagos, Nigeria • thepeacechigozie@gmail.com • +234 814 592 2235

PROFESSIONAL SUMMARY

Analytical and technology-driven graduate with hands-on experience in product management, digital operations, customer engagement, and stakeholder collaboration. Experienced in supporting digital product development, conducting user research, analysing customer feedback, and coordinating cross-functional teams to deliver customer-focused solutions. Skilled in problem-solving, process improvement, and data-driven decision-making, with a strong interest in digital banking, technology innovation, and business transformation.

WORK EXPERIENCE

Peakpath Innovation, Lagos | Associate Product Manager *Jun 2025 – Present*

- ▶ Manage product operations for Servicedey, a live digital services platform available on iOS and Android.
- ▶ Conduct user research and analyse customer feedback to identify opportunities for product and service improvements.
- ▶ Coordinate cross-functional teams including engineering, design, and business stakeholders to deliver product milestones.
- ▶ Support customer onboarding initiatives by engaging users with incomplete registrations and improving activation rates.
- ▶ Perform testing across APK, staging, production, and iOS environments to ensure product quality and functionality.
- ▶ Monitor user experience and contribute recommendations that enhance platform usability and customer satisfaction.
- ▶ Support digital engagement initiatives through content management and online customer interaction.

Rankreform Agency | Associate Social Media Manager *[May - August 2025]*

- ▶ Developed digital content strategies and campaigns to improve customer engagement and online visibility.
- ▶ Managed client communications and supported customer relationship activities.
- ▶ Analysed engagement metrics to evaluate campaign performance and inform content decisions.
- ▶ Produced digital content that strengthened brand awareness and audience interaction.

Deotechnological, Lagos | Product Manager Intern *Jul 2024 – May 2025*

- ▶ Supported product development initiatives through customer feedback analysis and usability assessments.
- ▶ Collaborated with development teams to improve product functionality and user experience.
- ▶ Prepared product insights and recommendations to support decision-making and feature prioritisation.
- ▶ Assisted in translating business requirements into actionable product improvements.

Tayari.live, Kenya (Remote)

Video Editor Intern | October 2024 – December 2024

- ▶ Produced and edited digital media content while collaborating with remote stakeholders across multiple locations.
